Isidoro, a documented gang member, has an extensive adult criminal history that began at the age of 19. His convictions include robbery, vehicle theft, evading a peace officer with disregard for safety of others, battery by prisoner, vandalism, multiple convictions for felon in possession of a firearm, felon in possession of ammunition, violation of parole and failure to report. He has served multiple state prison terms the longest a 4 year term for vandalism. Isidoro was released from state prison to the supervision of the Los Angeles County Probation Department on April 28th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2014 after he absconded from post release community supervision (PRCS). Isidoro qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vandalism is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
